Summer is coming and the weather has been great. I'm going to keep this letter short and sweet.

There will be less classes this quarter because of all the outdoor activities people will be doing. Please take a look at the schedule and find the classes you want to take and register early. Any classes with a low pre-registration will be canceled and only those students pre-registered will be notified.

We always have our scheduled dances on Friday and most Saturday nights. The attendance is always up and down during the summer months but we are here for you. Come enjoy yourself, practice and have fun dancing this summer.
