

The Rockin' Horse Dance Barn's

Convenient Tuition Payment Option Saves You Money

Dear Student,

Our goal at The Rockin' Horse Dance Barn is to provide the highest quality of dance instruction. We collect our registration fees at the beginning of each new dance series or on a monthly Auto-Pay option.

As you know, time is money. The Auto-Pay method saves us bookkeeping time and streamlines registration. We offer the best discount for those students who opt for our monthly Auto-Pay option. We hope you consider choosing this method.

Benefits of Auto-Pay:

- You don't need to fill out a registration every 6 weeks (unless you want to change into a new class)
- You don't need to bring money with you
- You don't have to worry about paying on time or early to save money
- You can budget a fixed monthly amount for your dancing/exercise
- And of course you save money every month!

*Subject to change. ¹Auto-Pay payments are deducted on the FIRST of each month. ²Early registration for the \$5.00 discount is considered one week (7 days) before the first class of a 6-week series.

Note to Students in Auto-Pay

In the case of a Holiday hitting during a series your billing will be adjusted to account for the class missed.

Due to the initial expense of setup we require that students stay on AutoPay for a minimum of 3 months. If a student cancels and rejoins AutoPay in the same month there will be a \$5.00 registration fee.

Cancelling requires a 14 day written notice. The form is available on our website (on the registration page) or at our front desk.

Note to Students Registering for a 6-week Series

In the case of a Holiday hitting during a 6-week series the series will be shortened to five weeks and the registration prices will be as follows: Mornings \$45.00 Evenings \$58.00
(²if you register one week early deduct \$5.00)
